Burwood

Burwood . Burwood Heights . Croydon . Croydon Park . Enfield . Strathfield

BURWOOD DEVELOPMENT CONTROL PLAN

Employment Zones LEP Amendment

The new Employment zones commence within Burwood LEP on 26 April 2023. From 26 April 2023, a reference to a former business zone in Burwood DCP is taken to be the new employment zone as referenced in the table below:

Business Zone (prior to 26 April 2023)	**Employment Zone (from 26 April 2023)**
B1 Neighbourhood Centre B2 Local Centre	E1 Local Centre
B4 Mixed Use	MU1 Mixed Use
B6 Enterprise Corridor	E3 Productivity Support

Burwood Development Control Plan
Adopted by Council: 17 February 2026
Effective: 5 March 2026
Ref. No.: 23/44942
Version No.: 14
Ownership: City Strategy

CONTENTS

1 Introduction 9

1.1 The Purposes and Aims of the BDCP 9
1.2 Citation 9
1.3 Land and Development Covered by this Plan 9
1.4 Date on Which the BDCP Takes Effect 9
1.5 Amendments to the BDCP 9
1.6 Relationship to Other Plans and Policies 10
1.7 Structure of the BDCP 10

2 Site and Environmental Planning 12

2.1 Burwood's Planning Context 12
2.2 General Site Analysis 13
2.3 Views and Vistas 15
2.4 Streetscapes 16

3 Development in Centres and Corridors 17

3.1 Application of this Section 17
3.2 General Building Design Controls in Centres and Corridors 18
3.2.1 Building Design 18
3.2.2 Materials and Finishes 25
3.2.3 Lighting and Signage 28
3.2.4 Street-Front Activities and Building Access 29
3.2.5 Subdivision and Car Parking Spaces 33
3.2.6 Site Isolation 34
3.2.7 Residential Flat Buildings and Shop Top Housing 34
3.2.8 Apartment Mix and Minimum Dwelling Sizes 35
3.2.9 Minimum Site Area 36
3.2.10 Building Depth 36
3.2.11 Ceiling Height 36
3.2.12 Natural Ventilation 37
3.2.13 Daylight Access 37
3.2.14 Visual and Acoustic Privacy 38
3.2.15 Private Open Space 39
3.2.16 Lobbies and Internal Circulation – All Development 40
3.2.17 Storage for Apartments 41
3.2.18 Safety and Security 41
3.2.19 Access and Mobility 44
3.2.20 Awnings and Associated Structures 44
3.3 Area Based Controls – Burwood Town Centre and Burwood Road North 59
3.3.1 Burwood Town Centre 60
3.3.2 Burwood Town Centre Areas 66
3.3.3 Area Based Controls - Burwood Road North 83
3.4 Area Based Controls – Strathfield Town Centre 86
3.4.1 Overview 87
3.4.2 Desired Future Character 87
3.4.3 Specific Controls 87
3.5 Area Based Controls – Local and Neighbourhood Centres 94
3.5.1 Croydon Park Local Centre 94
3.5.2 Enfield Local Centre 95
3.5.3 Croydon Neighbourhood Centre 100
3.6 Area Based Controls – Parramatta Road Enterprise Corridor 103
3.7 Area Based Controls – Cooper Street Precinct, Strathfield 108
3.8 Area Based Controls – Livingstone Street and Sym Avenue Precinct, Burwood 115
3.9 Transport and Parking in Centres and Corridors 123
3.9.1 Strategic Approach 123
3.9.2 Burwood Town Centre and Strathfield Town Centre 123
3.9.3 Local Centres 127
3.9.4 Neighbourhood Centres 129
3.9.5 The Parramatta Road Enterprise Corridor 131
3.9.6 General Requirements in All Centres and Corridors – B1, B2, B4 & B6 Zones 132

3.10 Heritage in Centres and Corridors 143
3.11 Public Domain and Amenity 148
3.11.1 Public Domain – Burwood Town Centre 148
3.11.2 Public Squares and Forecourts 150
3.11.3 Pedestrian Links 152
3.11.4 Lanes 155
3.11.5 Treatment of Street Front Setbacks 156
3.11.6 Public Domain Finishes and Elements within Development 156
3.11.7 Solar Access to Burwood Park 157
3.11.8 Acquisition of Land for Traffic Management and Open Space 157
3.11.9 Access and Mobility for the Public Domain 159
3.12 Liveability Improvements to Apartment Developments 160
3.12.1 Activated Rooftop and Podium Communal Open Space 160
3.12.2 End of Trip Amenities 167
3.12.3 Corridors and Internal Circulation 168
3.12.4 Hydrant facilities and substations – Integration into facades and/or landscaping 169
3.12.5 EV Readiness and EV Charging 170
3.12.6 External Neon, LED Neon and Facade Illumination within the CBD 171
3.12.7 Sustainability and Urban Heat Loss 175
3.12.8 Water Sensitive Urban Design (WSUD) 177
3.12.9 Car Share Parking Space 179

4 Development in Residential Areas 180

4.1 Residential Flat Buildings in R1 Zone 180
4.1.1 Introduction 180
4.1.2 Development Controls 180
4.2 Shop Top Housing in Residential Zones 194
4.2.1 Introduction 194
4.2.2 Treatment of Shop Top Housing 194
4.3 Multi Dwelling Housing 195
4.3.1 Introduction 195
4.3.2 Development Controls 195
4.4 Dual Occupancies and Secondary Dwellings 203
4.4.1 Introduction 203
4.4.2 Affordable Rental Housing SEPP 203
4.4.3 Development Controls 203
4.5 Dwelling Houses, Attached Dwellings, Semi-Detached Dwellings, Ancillary Structures 213
4.5.1 Introduction 213
4.5.2 Development Controls 213
4.5.3 Ancillary Structures 227
4.6 Transport and Parking in Residential Developments 234
4.7 Heritage in Residential Precincts 241
4.7.1 Introduction 241
4.7.2 Heritage Controls 241
4.7.3 Fences on Heritage Properties 250
4.8 Special Residential Precincts 253
4.8.1 Appian Way 253
4.8.2 Malvern Hill 262

5 Other Development Provisions 273

5.1 Subdivision of Land 273
5.2 Health Consulting Rooms 274
5.3 Child Care Centres 275
5.3.1 Introduction 275
5.3.2 Aims 275
5.3.3 Relationship with other Legislation, Plans and Policies 275
5.3.4 Child Care Centre Approval Process 276
5.3.5 Development Controls 276
5.4 Boarding House and Co-Living Housing 287
5.4.1 Site Planning 287
5.4.2 Local Streetscape Character 288
5.4.3 Design Excellence 289

5.4.4 Built form Design 290
5.4.5 Visual Appearance and Articulation 291
5.4.6 Internal Design 292
5.4.7 Visual Privacy and Acoustic Amenity 294
5.4.8 Landscaping and Open Space 294
5.4.9 Parking 297
5.4.10 Operational Management 297
5.4.11 Fire Safety 298
5.4.12 Service Facilities 298
5.4.13 Signage 299
5.5 Backpackers' Accommodation 300
5.5A Serviced Apartments 305
5.6 Signage and Advertising 308
5.6.1 Introduction 308
5.6.2 Specific Provisions by Signage Type 310
5.6.3 Signage in All Areas 313
5.6.4 Additional Signage Controls by Zone Type 316
5.6.5 Signs on, or in the Vicinity of, Heritage Properties 317
5.7 Sex Services Premises 319
5.8 Transport and Parking for Other Development 323
5.9 Exempt and Complying Development 328
5.10 Street Addressing and Numbering 329
5.11 Public Art in Private Developments 330

6 Environmental Management 331

6.1 Preservation of Trees and Vegetation 331
6.1.10 Reviews and Appeals 340
6.1.11 Reported Breaches 340
6.1.12 Penalties for Breaches 341
6.1.13 Arborists' Reports that are Submitted to Council 341
6.1.14 Definitions 342
6.1.15 Related Information 343
6.2 Waste Management 344
6.2.1 Aims and Objectives 344
6.2.2 Waste Management 346
6.3 Acid Sulphate Soils 353
6.4 Flood Planning 354
6.5 Stormwater Management 355
6.6 Landscaping for Development 356
6.7 Energy Efficiency and Sustainability 357

7 (Repealed) 359

8 Appendices 360

8.1 Waste Management (Relates to Section 6.2) 360
8.1.1 Residential Bin Measurements 360
8.1.2 Waste/Recycling Storage Rooms/Areas 360
8.1.3 Private Property Access Arrangements 363
8.1.4 Garbage Chutes 364
8.1.5 Commercial/Industrial Waste/Recycling Storage Area 366
8.1.6 Waste/Recycling Generation Rates 368
8.2 Streets and Sites Subject to Building Appearance and Streetscape Provisions (Relates to Section 4.5) 369
8.3 Appian Way – Assessment of Significance (Relates to Section 4.7) 370
8.4 Malvern Hill – Assessment of Significance (Relates to Section 4.7) 375
8.5 Plan of Management – Template 385
